FROM THE GRAND KNIGHT – ACCEPTANCE SPEECH ON 7-12-28

...Worthy District Deputy, Worthy Past Grand Knights, Officers, Brother Knights – Vivat Jesus!

Let me say that I am truly honored to be elected the next Grand Knight of our Council. As I look around this room to those who have served before me, I have been entrusted by all of you to continue the legacy.

For starters, I would like to take this time to acknowledge a fellow Knight, for without this help, I would not have taken the path to full Knighthood with the Knights of Columbus.

I would like to acknowledge my proposer, Gary Lusk at this time.

I signed up with the St. Lawrence Ushers and Gary informed me that if I became an Usher it was an automatic signup for the Knights as well. I was ok with that contract. Gary, I would like to thank you for seeing something special in me that I did not see in myself!

My Catholic faith and education started at St Joan of Arc at my baptism and in future years I completed my elementary education there as well. During that time, I was supposed to go sign up to be an altar boy. When I came home from school that day, my Mother asked me if I signed up. I answered no, but I signed up for the Safety Patrol instead. She asked, why did you do that you were supposed to sign up as an altar boy? I responded that by being a Safety Patrol Boy, we would go every year to a Tiger game for the year of service

GOOGLE CALENDAR – COMING SOON . . . FOR KofC #2950

We have begun to populate our events and meeting schedules in a Google Calendar that will soon be shared with membership that currently has an email address on file with us. The reason we are doing this is for ease of seeing what is happening in real time as things get added to the calendar. In addition, with our meeting schedules being uploaded, we are able to send a reminder to those with email when the next council meeting will occur. This will be a benefit for our newer members! I will be working with Warren Sawdon and Linda Nardecchia on this. If you have an email address and would like to be added, please forward a note to Warren and Linda. Look for this change in the coming weeks . . .

ACCEPTANCE SPEECH CONTINUED

in advance. Needless to say, this started my service to others.

After grade school I attended Notre Dame High School in Harper Woods, where the Marist Fathers instilled hard work while providing a top-notch education. For my college career, I continued my catholic education by receiving a Bachelor of Science in Business Administration from the University of Detroit, where the Jesuits taught the deeper meaning of my faith as I know it today. My desire to serve and volunteer started during my grade school years by delivering canned goods to St. John Berchmans in Detroit and continued in my young adult life by continually having fund raisers and volunteering our time with St. Vincent De Paul.

So, I guess that I have always served others throughout my life. As for the Knights and our council, I am ready to serve in any capacity needed to continue the long legacy of our great council!

The dedication that all of you have for our council is truly amazing! I will do my best as your Grand Knight for the next two years, along with Francis Elwart serving as Deputy Grand Knight! I have learned from all of you, I am a person who likes to take on a challenge, solve problems and get things done. I just need to ask for help when I need it. To that, I am truly grateful to be amongst all of you who are some of the greatest men I have met in my life.

We are men of faith and men of action! Together we are strong and can accomplish anything if we are willing to serve and ask for help.

Thank you,

Scott Morgan
Grand Knight

KNIGHTS OF COLUMBUS “BENEFITS NEWS”

[Life Insurance As a Gift?](#)

The initial reaction for many people when you mention life insurance as a gift is a quick step back and a questioning stare. “How morbid,” they think. While it may seem that way when you first mention it, life insurance is really a thoughtful gift that can be a financial life preserver in rough times.

The problem with life insurance is the general perception. Many think of death instead of the great benefits it provides, and the security that it offers – even when you’re alive. Life insurance should be thought of as a precautionary protective measure for a family unit. The purchase of this product can mean saving your home, sending your children to college, and preserving your spouse’s quality of life in the event of your death.

One of the times you may want to purchase life insurance for someone is when a family has a new baby. It’s a great, low-cost way to set money aside for the future (i.e. college tuition, housing, business start-up, etc.). Of greater importance, it ensures these children will have insurance as adults, in case an illness later in life makes him or her uninsurable.

Newlyweds are also ideal recipients for life insurance. As they join their lives and financial responsibilities, young couples need to make sure that their early investments are fully protected. If something were to happen to one of them, the other may be faced with serious financial hardship. A life insurance policy is an ideal way to ensure their future and protect their assets. As nontraditional as it may be, life insurance is a wise and caring gift to purchase for many people.

KNIGHTS OF COLUMBUS - OUR PRINCIPLES

4 PRINCIPLES 4 REASONS

CHARITY UNITY FRATERNITY PATRIOTISM

All the good works we do are informed by our four core principles:

Charity – Our Catholic faith teaches us to “Love thy neighbor as thyself.” Members of the Knights of Columbus show love for their neighbors by conducting food drives and donating the food to local soup kitchens and food pantries, by volunteering at Special Olympics, and by supporting, both spiritually and materially, mothers who choose life for their babies. Knights recognize that our mission, and our faith in God, compels us to action. There is no better way to experience love and compassion than by helping those in need, a call we answer every day.

Unity – None of us is as good as all of us. Members of the Knights of Columbus all know that – together – we can accomplish far more than any of us could individually. So, we stick together...we support one another. That doesn't mean that we always agree or that there is never a difference of opinion. It does mean that – as a Knight of Columbus – you can count on the support and encouragement of your brother Knights as you work to make life better in your parish and community.

Fraternity – Venerable Michael J. McGivney founded the Knights of Columbus, in large part, to provide assistance to the widows and children left behind when the family breadwinner died – often prematurely. The Order's top-rated insurance program continues to do this today, as do the good works of individual Knights, who gave more than 75.6 million service hours in 2017, illustrating how Catholics serve each other in fraternity and mercy.

Patriotism – Members of the Knights of Columbus, be they Americans, Canadians, Mexicans, Cubans, Filipinos, Poles, or Dominicans, are patriotic citizens. We are proud of our devotion to God and country and believe in standing up for both. Whether it's in public or private, the Knights remind the world that Catholics support their nations and are amongst the greatest citizens.
